Meeting of the Working Group, IAC Source Control

1. Transmitted herewith are the minutes of a meeting of the Working Group for the IAC Source Control mechanism directed to be established by IAC/D-54.
2. Briefly, it was agreed that the Army representatives would re-draft the "Terms of Reference" to incorporate changes desired by the Department of the Army. This re-draft will be considered by the Working Group at its next meeting.
3. Since this meeting is the first held since disagreement by the Army with the initial "Terms of Reference", it is recommended that these minutes be forwarded to the Chief, Foreign Intelligence, the Deputy Director (Plans), and the Secretary, the IAC, for their information.
